I respectfully request an order through Major Gle Supt. Field Transportation, on Major Bell at Lexington for 24 Artillery horses, for the following reasons viz On the 27th of July at Kirkersville McClanahan's Battery was so reduced by sickness & casualties from the Penn. Campaign that I ordered one Section of his Battery to be sent to Staunton for Refitting, where it was turned over to the Ord. Officer, and the horses in part turned in to the Q.M. and a part furnished to Maj. J.F. Knapp's Battalion Artillery. When Genl Brigade McClanahan's Company is now full again and he has procured his guns & horses to restore his Battery to its former size 6 guns, but those are thirteen fit for duty. Twenty five horses still on hand from 75 to 100 of the thirty turned over by Capt Baker to my Q.M. but they are still wholly unfit for service & will be

Thanks to Genl Maj. Bell has, how ever let
his orders prevent him from complying
with the 24 I need. If I cannot get
the order I request, I ask an order
to impress & purchase the necessary mules
in Rockbridge & Rockingham Counties.
Farmers will not sell them, & doubtful
right to impress. If the order to Maj.
Bell is given please send it to him
at Staunton, as it will save time.

General.

I respectfully ask from the Hon. Secretary of War an order relieving me from the Command of this Brigade in Genl Gen. Army of Tennessee, and assigning me to duty at least as far South as Charleston S. Carolina.

It is with great pain and reluctance I request this favor at the hands of the Government. My relations to my Brigade are those of tender attachment on my part, fully reciprocated I believe by the officers and men under my Command; and my personal & official relations with my superiors are as pleasant as they could be. So that I should part with all associations & ingerences in rank with extreme regret. Nothing therefore but the most overwhelming personal considerations - always private & domestic - could impel me to this step.

My wife for the last 18 months has been suffering from a pimple and alarming pulmonary affection, which is now assuming a form, that in the opinion of her physicians, renders a change of climate necessary to

the preservation of her life. It is utterly impracticable for me to secure this vital change of climate for me dearer to me than life, unless I can, at least during the winter, be with or near her in the South. A leave of absence for that purpose I presume will be impracticable in the present military situation of the Country — At the close of last year (1863) I obtained a leave of 30 days from Gen. Lee for this purpose, but an unexpected raid by Averill prevented me from getting off till Christmas day, when the weather was so bitterly cold & Baltimore so disagreeable during the month of January that my wife concluded not to come on. The journey — short indeed would be less than 2 or 3 months be of any avail to me. Nor do I seek or desire relief from any duty I can render the Country. But I do most earnestly ask assignment to a field where I may still render as much service as here, and at the same time, under Providence seek the preservation of the life of my wife & the mother of my children. We have been married a little over five years: and separated by the war the greater part of four years. When the winter is over & active operations commence again in this part of Virginia if my services & my wishes are deemed more important here than

...ize when I will with alacrity obey any order
to retain in any Capacity, with or without
rank as the Government may deem best.
If my present rank is an obstacle
in the way of my assignment to duty in the
State, much as I prize it as evidence of
the confidence of my Government, yet do
I feel it is my desire to forward this change
if possible a permanent position for the
War, that I tender the resignation of my
Commission as Brigadier General, and
ask a Captaincy or Majority in the Artillery
and assignment to duty at Charleston, Savannah or Augusta.

Gen Gen Col George H. Smith of the 62d Ind Regt
Having been repeatedly brevetted in the Command
of this Brigade is one of the bravest & most ac-
complished officers I know a graduate of the
U.S. Military Academy & richly deserves pro-
motion as any man in the army. So that the
service could not possibly suffer by my transfer
to any of the Brigades he commands. Col Smith
has very magnanimously urged me to seek
a leave of absence, but to do, would be a
act of injustice to him that I could con-
sent to, even if he would acquiesce in it:

The Noted Confederate Cavalryman Passes Away.

ABINGDON, Va., August 16.—Gen. J. D. Imboden, the noted confederate cavalryman, died here yesterday.

Gen. John D. Imboden was a native of Augusta county, Virginia, and a graduate of the Virginia Military Institute. He represented that county in the legislature before the war. At the beginning of the war he raised a company and entered the confederate army, rising rapidly to the command of a cavalry brigade. He participated in all the principal battles. After the war he engaged largely in farming and railroad enterprises, but never succeeded. He died a poor man, but was highly esteemed and influential because of his public spirit. He was about seventy-five years of age, and had been married four times. His last wife and several children survive him.

General,

I have the honor to bring to your notice the gallant conduct of Mr E S. Elliott, Clerk in my department, who under a great risk of his life & in the presence of the enemy, detached three cars from the burning train at Boonville & thereby saved two car loads of ammunition & one of Enfield rifles, besides the explosion would probably have killed several sick soldiers who were unable to get out of the way. Whilst engaged in this noble work he was repeatedly ordered by the enemy to desist - they having retired to a safe distance from the exploding shells in the cars on fire.

In obedience to Special Order No 2. Ordering me to inspect & report upon a lot of friction primers made at the Atlanta Arsenal and reported unserviceable by Capt. C.C. Pinckney Ord. Officer 1st Mil Dist. I beg leave to make the following report.-

That I made a thorough inspection of the primers and found that they were utterly worthless not one in fifteen primers serviceable.

The reasons that I assign for this, are.

First - That the metal is not suitable being impure

Second - That the metal of the long tubes are pressed too thin causing the tubes to break

of iron the head [illegible] to be
to
withdrawn.

Third – That the tubes have corroded
in the tubes

Forth – that the friction composition is worth-
less and when removed from the tube
cannot be exploded by any friction

Fifth – that the short tube is not in its proper
position. Besides all this the long
tubes are made with a seam on the side
which causes the edge of the tube to be
irregular
This makes great difficulty in inserting
the tube in the vent of a cannon

Sir,

Your letter of the 20th inst: has been received. In reply I beg leave to state that I have recounted the Cannister, and find one Box short - This agrees with the number of boxes delivered by the Rail Road. Every Box was taken from the Car, Put on the Store House floor by the Postal Clerk, when the Stores were received, and the receiving Clerk, called my attention to the fact, that one Box was missing - I regret that I did not put the date alongside the packing Boxes (one missing Box) on the Invoices - I think that this Box must have been lost in Augusta - Should you require a certificate of lost time I shall have no objection, that I may be certain that I will be unable to recover the Box - Whilst writing, I may also mention to you, that Many of the implements belonging to the 2 3/4 pr Napoleon guns were lost in transit to this place. This I attribute to the negligence of your messenger - The Cartridges also showed very hard usage, many of the rivets being broken short off.

General,

I desire respectfully to recommend for promotion

Genl, Col Edward Dennison 4th Ohio Cavalry
who has been acting as Brig Gen for some time past.
and in all the duties of the office has shown himself
every way equal to the position, and I have all the confidence
in his judgment & professional ability that can be
expected from. The conduct of his Regiment, & the
reputation it has gained under his command, are
sufficient evidence of his capacity as a Cavalry officer.
He was for some time a Captain of Cavalry, and did
active field duty. I have the honor to be, General

General;

I hope you will excuse me, for the liberty I take in addressing you a private note upon the above subject. (Capt Swanwyck.) Since the interview I had with you, in reference to his assignment to the command of the Provost Guard, I have had the pleasure of becoming quite well acquainted with him, and have learned to esteem him highly, from a personal as well as official standpoint. In fact, I consider him a most deserving, gallant and energetic officer, and one who has performed his duty as Provost Marshal of this Division, in a most satisfactory manner. I would therefore most respectfully request that he be assigned to the command of the Provost Guard of the Army of the Potomac, if consistent with your views of the public service. I make this request entirely upon the merits of the case, and because I believe that Capt Swanwyck would discharge the duties of that position in a most satisfactory manner.

Should you deem it proper to grant my request, I will be much obliged to you.

June 22nd 1862

To the Hon. Secretary of War C. S. A.
Richmond Va.

Sir

I respectfully request that I be appointed Quartermaster of the 2nd Brigade, 1st Division, Army of the Valley, that position being now vacant.

I served as Captain in the 21st Regt. Va Vols until the recent re-organization of the Regt, but declined offering myself as a candidate for re-election from the fact that experience taught me that I was physically incapable of undergoing the fatigue of marching incident to such a position in the line.

Being unwilling to retire entirely from the service I respectfully ask for the above position.

I have the honor to be,
Very respectfully

Sir

The undersigned, who have served with Capt.

He is a gentleman of handsome abilities, has likewise been a laborious member of a laborious profession, (The Law,) the business habits of which he carries with him into the service — a gentleman of gallantry, rare probity and untiring energy & activity —

We are entirely persuaded that by granting the request of Capt. Irving you will promote the efficiency of the Quarter Masters Department & the interests of the Confederacy —

I hereby resign my commission as Captain and Aquartah Quartermaster in the Provisional army of the Confederate States of America for reasons which in my judgment make it my imperative duty.

I have never been assigned to any duty and have never received any funds belonging to the Confederate States and owe the Confederate States nothing.

In consequence of my not having performed any duty I feel it to be but just to release the Confederate States from any claim I have for pay since my appointment as Aquartah Quartermaster and in the event of my resignation being accepted which under the circumstances I trust will be done I hereby formally release the Confederate States from such pay.

I respectfully ask a furlough until the result of this application can

Hon. J. P. Benjamin,
Secretary of War.

I herewith make application for a lieutenancy in the regular army of the Confederate States, and in the event that no appointments of that grade are now being made, I would request that I may be appointed a Cadet in the C.S. Army.

I have had the advantage of military instruction at the Georgia Military Institute, and have been in the service since May last, having then volunteered as a private in what is now company I, 7th Regt. Ga. Vols. The Regt joined Gen. Johnson at Harpers Ferry and has been in his command ever since. I was at the battle of Manassas, and have risen step by step until I am now the 1st Lt. of my company. The accompanying testimonial, to which I beg your attention will shew the opinion entertained of me by the officers of the Regt.

I feel that I am not without the qualifications necessary to the

position I ask-

The 7th Ga. is one of the 12 months Regts. and its time of service will soon expire- This fact, added to the desire I feel to make arms my profession, is the reason why I make my application now-

I take the liberty of addressing you a few lines in behalf of my son Robert C. Sowin, late first Lieutenant of Company F. 7th Regt. Geo. Volunteers, he served in the Army of Virginia for 12 months, and I believe gave general satisfaction both as an officer and a Soldier, was in the battles at Manassas and Penn No 1 near York Town, Some time since he made application through the Hon. L. J. Gartrell, for a Lieutenancy in the Regular Army of the Confederate States, and with his application he forwarded to Col. Gartrell a recommendation, signed by all the Commissioned officers commanding companies in the 7th Regt. Ga. Volunteers, who were present at the time, and also a recommendation from most if not all the members of the Confederate Congress from Georgia which I presume is still on file, and to which I beg leave to refer, he was then informed that no appointments of that character were then being made, - Since then he has learned that several Lieutenants will be required in giving effect to the Conscript Act, and perhaps in other portions of the Confederate Service, I do he respectfully asks the appointment of Lieutenant in any branch of the Confederate Service in which his services may be required, - he was educated at the Georgia Military Institute, and has had all the

division common to the Camps, and with the 12 months experience which he has had I consider him well qualified for the office—He was not elected to any office in the re-organization of the Regiment. and is now I presume subject to the provisions of the Conscript Act, and is perfectly willing to serve the Confederate Government in any capacity in which his services may be required,—I have not the pleasure of a personal acquaintance with your Excellency or any one else in Richmond at this time, except the Hon A. Charlottesville Va Sept 11th 1861

Dear Sir

I offer apology for troubling you with a reading in which my personal feeling and interest are only concerned; I hope our neighborly acquaintance, and friendly intercourse, will be sufficient, and that I may be able to enlist your views in endeavouring to procure my promotion in the C.S.A. to which I think I am justly entitled, and which I have no doubt would have been granted, long since, had my claims been laid before the head of Dept.

I must say that I have felt a little mortified, at being overlooked, while so many younger men whose commissions were of more recent date than mine, have been promoted over me, and many taken from civil life and given higher rank.

My services to Southern Rights and advocacy of secession have been well known for many years, and I did not pose a log[illegible] when the crisis came, but was one of the first commissioned for our defence, to which cause I attribute the loosing on a destruction of my Business, which I believe was the first case of the kind in the State of Va.

I was appointed by Gov Letcher at the request of Genl R E Lee as Captain in the Virginia Service on the 3d of May 1861, and ordered to take charge of the Gr Mess Department.

of the Potomac Division of the Army, under General Cooke, whose
head quarters, were at Camp Upton Court House, and I continued
in service under that commission, until the 29th of
June 1861, when I was transferred, at the request of General Cooke
to the P.A.C.S.A and continued at 6 ft per Qtr. as
Post Qr. Mr. until the Army fell back from Manassas in
April 1862, when I was ordered here as Post Qr. Mr. where
I have since remained. I have been serving as Post
Qr. Mr. over two years and four months, and have never
failed to render promptly my Quarterly and monthly returns, and I am satisfied my accounts and
my transactions will compare favorably with those of
any other Qr. Mrs. in the service.

I thought when Mr. Wesley Batson was taken from civil life, commissioned as Major and placed in charge of the Q.
Mr. Department of the Potomac Army, that I was entitled
to the position, and I hope, if the Secy of War should think
it proper to grant my promotion, that he will date my com-
mission from that period.

I will go to Richmond if you desire me to
do so, but I think your bringing attention to this matter
will be sufficient, without my presence.

Excuse me for troubling you on my own affairs.

Insp. Gen.l of Transportation

Your letter of Yesterday's
dates was handed to me this evening by Captain
Wood and your order will be complied with if
required, but I have to inform you that all the
horses and Mules belonging to this Department
which are able to do heavy work, are indispens-
able for the service of this Post.

I have before advised you, that most
of the Horses in my possession were turned
over to me as broken down, and in bad order
There are now 67 Animals on the Post, 12
of which are of no use, and ought to be sold,
12 others I would like to get rid of, as they are
unfit for hard service at present, but by light
work occasionally, they can be made useful,
Deduct 24 from the whole number and I
have but 43 Animals left that can be relied
upon, and they are used as follows.

One

Horses and Mules available 43
Turned over to Hospitals by order
for Scavenger Wagon 2, Wagons
to obtain provision from Neighbourhood 6 3, Small Pox Hospital 1,
Head Cart 1. 7
36
Kept in readiness for hauling
Commissary, Ordnance, Medical,
Surveyors, Stores &c 2
34
Seven Teams which are employed
in hauling Wood, Lumber, Forage &c.
Medical Purveyors Stores, Commissary
Stores, Ordnance Stores &c Composed of 31
3
Required for Forage Master
Wagon Master and other business
of the Post 3

The Roads are so bad that
there is not wood sufficient brought in
for sale to supply the Citizens, and it sells
from $30 to 40 per Cord, consequently I have
supply the Hospitals, for 165 Fire Places, and
ten Bake ovens, requiring 336 Cords per month
besides the Offices and Offices of the Post, with
about 40 Cords in addition.

I have recently had erected for Major
Carrington 4 Forage Ware Houses at this Post,
Greenwood and Log Depots, and a large quantity
of the Lumber had to be hauled from the saw
Mills. I have now to erect a Log Smoke House,
a portion of the Lumber for which, has to be
hauled 7 miles, so that you will observe, I
have constant employment for all the good an-
imals I have, and I do not believe I could
get along without them.

The Twelve Horses turned over to
Captain Hood on the 9th inst. had been used by
me in hauling Fuel up to that time, were se-
viceable, and a fair average of the Horses, then
on hand, with the exception of 10 or 12.

I have 11 Four Horse Wagons, 8 of which
are constantly in use. 33 sets of Single Harness
all old, and tied up, with the exception of 5
single sets of Mule Harness received last Fall
which I believe is all the new Harness I have
had on the Post, and I will be greatly

The Board of Examiners in the case of Capt. Wm. H. Brown A.Q.M, Charlottesville, have found him incompetent, and I have approved the finding of the board. While awaiting the action of the Dept, it would be well to relieve him from duty at that point & assign a more efficient A.Q.M. to the same.

I enclose herewith the closing paragraph in the finding of the board for such action as you may deem proper.

Richmond, Va., March 25 1862.

General

This department has received from Col J B Biffle, Commanding Cavalry Regiment, an application for the appointment of W. M. I am directed to enquire therefore if this is a New Organization — and if not, who was the officer in Command previous to Col Biffle —

I have the honour to be

Edward Semard was appointed 1st Lt. 1861, 2d Lt. of Artillery [illegible] Army of Tennessee [illegible] to a battery commanded by Capt. [illegible] this troops re-organizing [illegible] Tenn. and, elections were held in the artillery companies because [illegible] did not originally elect but appointed in accordance with the laws of that State. It appears that the officers of batteries from Tenn. were retained in their positions without further action.

The company of Lt. Semard was afterwards consolidated with two other companies and the supernumerary officers assigned to ordnance duty.

The history of his connection with the army was sometime ago rec'd at this office thro' the Ordnance Bureau and inquiry made as to his status. It was decided that if not re-elected at the re-organization of his company, he was out of commission and his subsequent assignment to duty unauthorized.

He claims that this decision would vacate the commissions of all officers of artillery companies from this State, as they are all on the same footing, and believing that his case was adjudged under a misapprehension of the facts, asks that it be reconsidered.

His statement is confirmed by Maj. Gen. Alex. P. Stewart.

It is respectfully submitted that the Conscript Act did not make the re-organization of twelve months' troops obligatory but simply guaranteed to them the right, and the failure to exercise this right, whether thro' a misapprehension of the provisions of said Act or otherwise, together with the subsequent retention of their original officers in command, established their commissions.

I will here take the liberty of mentioning briefly the points referred to in my communication of Aug 16th

In Sept 1861 I was appointed a 2d Lt. of Artillery in the Provisional army of Tenn., and was assigned to duty in Co. "A", commanded by Capt. F.M. Stewart

At Corinth, Miss., when the twelve months' troops were reorganizing, in May 1862, the commanding General (Gen Beauregard) did not sanction elections to be held in the Artillery companies from Tenn, but, in accordance with the law of that state, he appointed them. Soon after this my company (Co. A) was consolidated with two other companies, and the supernumerary officers were generally assigned to duty in the Ordnance Department. I was myself among the latter class. I remained in the Ordnance Department until July 1863, when, in obedience to orders, I submitted a statement giving my history since my connection with the army to Lt. Col. In Sept 1861 I was appointed a 2d Lt. of Artillery in the Provisional army of Tenn, and was assigned to duty in Co. H, commanded by Capt. H.M. Stewart

At Dumfries, Miss, when the twelve months' troops were reorganizing, in May 1862, the commanding General (Gen Beauregard) did not require election to be held in the Artillery companies from Tenn, but, in accordance with the law of that state, he appointed them. Soon after this my company (Co H) was consolidated with two other companies, and the supernumerary officers were generally assigned to duty in the Ordnance Department. I was one of the latter class. been to Col. Gorgas, Chief of Ordnance, and by Col. Gorgas to Genl. S.

The following is your endorsement:

Respectfully returned through Lt. Col. Gladsworthy. Edward Sneed appears to have no appointment in the Provisional Army. If not re-elected at the Reorganization of his Company, he is out of Commission and his subsequent assignment to duty was unauthorized. To be retained in Service he must receive an appointment.

It is true I was not re-elected, for the Colonel commanding did not allow elections to be held, as I have before stated. I was retained in Service - my Company was merged into another - and I was assigned to other duty. I was not then entitled to any vote. The same course was pursued with all the Artillery officers from Texas, & I am out of Commission by virtue of not being re-elected, all the rest must be also;

I would here respectfully beg leave to quote an extract from Gen. Orders No 30. War Dept. A. & I G's Office Richmond, April 28th 1862. × × × × ×

Hon Jas A Seddon

Sir

I respectfully tender my resignation as Surgeon P.A.C.S. for the following reasons, I will be forty years of age in Sept next, I have been in the service since the beginning of the war—am married, have a family consisting of a wife, three daughters, nearly grown, and one son. My home is at Eufaula Ala and is constantly exposed to the ravages of the enemy. Aside from my own private affairs, which have suffered in common with others of my countrymen, I am guardian of others, (minors) whose interests must suffer without my attention, and as in common with my race in the south I have devoted time to the study of diseases that my services shall be acceptable

Very respectfully, &c

Sir.

Will it be possible for me to get my Shabraque mended by one of your workmen. I need cloth for the purpose. I think by piecing there will be enough. The pieces will cover the seat. The skirts, the flaps and the body of the coat, the parts in front and behind. It will be a patched & tumble-down job I fear, but if practicable I would be greatly obliged if you can have it done. The yellow binding might be reversed and put on the new cover. I do not suppose I can get any that is new in the city. I would call myself and see about the matter but am confined to my bed by an accident.

Very Respectfully Yours

I am credibly informed that the Cottage house on the corner of 15th & I St. is the property of Sol. C. Ives, formerly a Lieut. in the Topographical Engineers. He left here in July 1861, for the purpose of joining the rebels, and is now a Colonel on Jeff Davis' Staff.

Said house is now in the possession of Rich'd M. Clark, whose sister Ives married. Clark married a Miss Semmes, sister of the pirate Semmes of the Alabama: Clark has been an inmate of the Old Capitol Prison (by order of the Sec of War), and is paying rent for said property money keeping it for his brother-in-law.

I would respectfully request that said house be taken possession of by the Military Authorities & assigned to me as Quarters (in lieu of Commutation) as it is very convenient to them Head Quarters.

I call attention to the annexed letter of Chas. E. Grey as I have marked back to be informed if any action had been had upon Genl. B's recommendation of him for 1st Lt. & Adjt.

My dear friend

I arrived safely home on the 29th ult. and found all well. For which my heartfelt thanks and gratitude are due to our heavenly Father in my first letter. I wrote a letter to Mr Hall for the purpose of recommendation. I hope you received it, but that I have not any account, but that I may receive it from you or him as I am very anxious to hear from the South.

The first I have from you I have read it, and answered it on the day I received it, but you have not told me further about your visit to Mississippi, but when I say that the time appointed for it to be is almost up, I hope that you will not disappoint us, but come on as soon as you can, for we are very busy in our office, especially

I desire, you will not only confer a favor upon myself, but promote the happiness of one of the "true southern rights" families of the City of Washington, and enable us to find a home in the land unshackled by the despot who reigns in our former home.

Dear Sir,

You will doubtless recollect me, as the Page to the Vice President at Washington when (Maj Gen Breckinridge served as V. P. And I afterwards met you at these Head Qrs in Murfreesboro before the late battle. when you renewed the former acquaintance.

I write to you now to ask a favor of you, (for I am a stranger in the South since my few ab[sence] at seat of government) that you will make some inquiry at the War Dept in relation to a recommendation forwarded by Maj Gen Breckinridge for me the appointment of a 1st Lieut and Adjutant, My recommendation was forwarded last October and is dated the 15th of that month. since which time I have heard nothing from it. The main object in my desiring the appointment is to enable me to bring from Washington my mother and sister and give them a home in the South, which my limited pay now will not admit of. By granting the above request and if possible, procuring for me the appointment

I trust you will not only confer a favor upon

On the 12th of July last Lieut A Mann
then in command of this Regt appointed Mr Chas C Bray
(of Co G 32nd Regt Ala Vols) adjutant to fill the
vacancy occasioned by the promotion of Adjt Thos L Chandler, who
was appointed Captain in the A. & Gen's Dept about the 1st
of last month by Brig Gen Clanton, who has not been with the
Regt since, and is now serving in that capacity on the Staff of
Brig Gen Clanton. The appointment of Mr Bray was immedi-
ately forwarded to Richmond with the request that the
Commission should be issued, since which time nothing has
been heard from it. I have the honor to request that the
Commission may be issued at once and thus enable Lt
Bray to draw his pay which he declines doing until his Commission
is received. Lt Bray has been acting as Adjutant since his
appointment by Col Mann and has proved himself to be
in every respect well qualified to fill the position, and
at the late battle of Chickamauga behaved with great
coolness and gallantry.

I therefore hope that he may be commissioned

Major

I have the honor to report the following facts

The Rev J.H. Ivy Chaplain 16th La Regt received a leave of absence about the last of October 1862 to attend a conference of the Methodist Church in West Louisiana, and never returned. While there he married, and wrote to the then Commander of the Regt that he did not intend to return.

Sometime afterwards he tendered his resignation; on account of its informality it was never forwarded.

For the above reasons I most respectfully ask that he be dropped from the rolls

WAR DEPARTMENT

Montgomery Ala Sept. 30 1863

Dear Sir

Lt Col Edward Surg informs me that he has heard unofficially that a notification has been issued by him from your department informing him that his appointment as Lieut Col of Artillery made on 18th Nov 62 was rejected by the Senate. Mr Surg has been in the service since the Commencement of the war; on the 18th Sept 61 he was appointed Major of the 21st Ala Reg. Vols; on Augst 1st 62 he was promoted as Lieut Col of the same regiment, & on 18th Nov 62 was appointed Lieut Col of Artillery, on the recommendation of his superior officers. He has discharged the duties of Lieut Col Artillery with the capacity of Lieut Col Artillery and served at Vicksburg throughout that siege, and was wounded there; he brings me a highly complimentary letter from Maj. Gen M. L. Smith in whose staff he served, which will be submitted to you. I am satisfied that Lt Col Surg is a gallant, competent and deserving officer and I cannot imagine how he came to be rejected by the Senate. Should no reconsideration of his case have been granted for confirmation,

and I know no reason for his rejection.
I never heard his name discussed or
alluded to in any way, from the most
favorable in the Senate, no objection from
any State would have been rejected
without my knowledge or assent or
that of my Colleagues; & my intercourse
with Said Officer is such, that I
do not believe he would cause the
rejection of my nomination without
consulting me. Hence I am induced
to believe, that Col Gray has not been
rejected, but by amendment passed over
and not confirmed during the last
days of the session. Said Officer was
not present & I was detained a few
days from the Senate Chamber by an
indisposition of Consequence. Should my injunction
I am satisfied Lieut Dove as most
worthy Officer and that his Character and
interest only. If the friends of the
Senate think that his nomination was
postponed or passed over and not
rejected, I ask that he may be
re-appointed, if rejected, I ask
that the case may be returned to me
to be acted upon a re-appointment or otherwise
as circumstances may.

Yours very truly

I have no recollection of the rejection of Col. Sherry's nominations by the Senate & am sure there must be some mistake about it. I have never heard any objections to Col. Col. Ivy entered the service Early in the present war as private in the Washington Artly, but being appointed a major on the staff of Gen Gray Capt. then engaged in preparing the Labourers for the field was discharged from the Co. On the formation of the 21st La Regt. he was appointed its Major afterwards on the promotion of Col Mc Smith to be Brigadier he was appointed to the Colonelcy This regiment has seen during its existence performed any duty other than that of Heavy Artly. Col Ivy commanded one of the Forts on the Barricade Bay during the battle at Orleans at 7 miles
& is mentioned in the report of the Commanding Gen as the only officer who brought off or destroyed every thing that could be of use to the Enemy. & the only one of the subordinate Commanders who made his retreat in a soldierly manner. He joined the army at Camp Moore. Was detached from his regt & went with the division Commanded by Gen Lovell at Corinth & Hatchie Bridge & is highly spoken of in the report of that action. At Vicksburg Col. Ivy was first in command of a number of Co's equal to a regt

of heavy artillery. was afterwards made Inspector of Artillery on this front in Maj Gen W.F. Smith's Command and at the Close of the Siege was in command of 26 pieces of Light Artly. His service has been in Artillery since the beginning of the war. He has invariably given satisfaction to his Comdg Officers. He was severely wounded at Vicksburg.

Lt Col Jay, by virtue of Orders which he received from the War Dept. on last April and when I was ordered to Virginia reported to Lieut Gen: Samuel Richmond: and has continued to attend upon me up to the present.

Col Bruce is of the opinion that his report should have been made to the Adjt. Genl of the Mil. of E. Tenn which he was formerly attached.

The above is stated with a view to my saying that Col Jay has been anxious for duty ever since declared exchanged, and if his reports have been improperly directed. I feel certain it was done through no desire or intention to evade an assignment to duty.

I beg permission to state, that my Staff Surgeon having been recently assigned to Genl Inspection duty by Orders from Richmond. I am now without an Officer of that kind and will be glad to have Col Jay ordered to report to the Division Head Quarters with a view to his ordered to report to me.
